paper will take. The Chairman related that the paper will either come out as a USIB policy paper or a Directive. This will be resolved by the higher echelons of USIB. Whichever form the paper takes, it will have a very positive affect on systems processing USIB data.

4. The remainder of the meeting was taken up by editorial corrections to the present draft of the Sanitization paper. Substantial revisions and corrections were made to the paper for the purpose of clarity and brevity. These changes will be reflected in the draft to be distributed at the next meeting.

5. Next Subcommittee Meeting: The next meeting of the Computer Security Subcommittee will be held at 0930 hours on 9 June 1972 at CIA Headquarters.
